### Internship `Optionalbereich`

To whom it may concern

In their B.A. students choose two major subjects.

In addition to these, they are also required to obtain 30 CPS (approximately 900 working hours) in elective studies («Optionalbereich»)<sup>1</sup>.

These courses can cover a very broad range of topics, providing students with a variety of skills, also depending on their plans for a future career.<sup>2</sup>

The elective studies cater for both academic and non academic careers.

If students choose the option of an internship (10 CP), this internship is obligatory.
